

MISSOULA NOTES.

Minor Happenings of Interest in the Garden City.

Special to the Standard.

MISSOULA, March 19.—Lon Simmons, colored, was this morning found guilty of perjury. The jury fixed his punishment at three years' imprisonment in the state penitentiary. The perjury consisted in swearing in Judge Evans' court that he was present when a certain difficulty occurred between Mrs. Mary Gleim and Albert Hollenbeck. A number of witnesses for the state testified that he was not some distance from the scene of the difficulty when it occurred. As Mrs. Mary Gleim swore to many of the same statements as Simmons did, her position is not enviable. County Attorney Webster proposes to file an information charging her with perjury.

C. H. Richmond of this city will go to Portland, Ore., shortly to walk in a match with John Meagher of Lawrence, Mass. The distance is 100 miles. The race is for \$500 a side. Meagher is being backed by Dennis Driscoll of Lynn, Mass.

As was expected by Messrs. Duncan and Gregg, they have been arrested again. Cash Nichols who swore out the complaint before Judge Weisenflue charging them with unlawful assembly, which charge was yesterday dismissed, has sworn out another complaint before Judge Logan charging them with burglary in the first degree in entering his house in the night with intent to do him great bodily harm. The hearing will take place before Judge Logan next Thursday afternoon.

R. A. Spurrier of Garrison is visiting in the city.

Mrs. E. T. Stoddard of Stevensville is a guest at the home of her son, Fred. C. Stoddard.

The Gate City club will give a reception on Monday evening.

A. S. Morgan went to Helena on Thursday.

Walkerville Notes.

WALKERVILLE, March 19.—The Alice company shipped 14 bars of bullion, estimated value \$14,000, to-day, being the first shipment this month.

The case of Ed Manion, charged with cruelty to animals, comes up before Judge Herbert at 2 o'clock Monday.

Superintendent Hall is keeping the water in the Alice down with such ease since the big 600-gallon tanks were put in use, that he will put men to work getting out ore in the 100 and 200 levels to-morrow afternoon. The men will work every afternoon when but one tank will be run. Both tanks will be run in the forenoon.

Although it is not generally known, it is a fact that according to the last census reports the percentage of increase in Walkerville during the last 10 years has been the second largest in the state. The actual increase was 334 per cent. This is something for Walkerville people to be proud of.

Detained at Billings.

BUTTE, March 19.—The bondsmen of Arthur Richards, who is charged with forging a check on Orton Brothers, notified Sheriff Lloyd this evening that he skipped town this afternoon with the explicit intention of forfeiting his \$450 bail bond. They learned that he had purchased a ticket for Salt Lake and the sheriff telegraphed to Dillon for the purpose of heading him off, but a reply came that a search of the train at that point failed to reveal him.

Undersheriff Gallagher left to-day for Billings to bring back Peter Norberg of Walkerville. Norberg was detained at Billings by a sheriff on complaint of his wife, who charged him with desertion of her and skipping out with the intention to defraud his creditors.

May Keep Open Sundays.

BUTTE, March 19.—It is generally reported around town to-day that the gambling houses are to be reopened to-morrow. More than a year ago the gambling houses were closed on Sundays by the enforcement of the state law not permitting gambling houses or beer halls to be kept open on Sundays. It is known that employees of gambling houses have been instructed to report for duty to-morrow morning, and this is understood to mean that Sunday gambling will be resumed. It is not known whether the beer halls are to be reopened.
